HOOVER DECLARES SPRECKELS IS PEEVED AT LOSS OF BIG PROFIT

(Associated Press by U. S. Naval Wireless.)
WASHINGTON, D. C., Dec. 17.—Answering the assertions made by Claus Spreckels before the senate committee which is investigating the sugar shortage that discrimination was shown by the food administration and otherwise attacking the food administration, its policies and methods, Herbert C. Hoover yesterday gave the following statement to the press:

"Anything which I have to say to Mr. Spreckels' statement will be said in due time to the senate committee. 'Spreckels is a store' is a statement which I have heard before. 'Today it requires no proof from me to establish the fact that Claus Spreckels, a leading sugar refiner, is sore at the food administration and the sugar commissions and would like to see it and them destroyed.'"

"I realize that Mr. Spreckels' balance sheet will not look so good to him as it did last year, for the refiners' prices for sugar have been regulated and furthermore his balance sheet would have looked much better to him this year if the price of last August had not been reduced and held fast in the face of a partial shortage that promised a fair opportunity for 30 cents a pound sugar and much increased profit to the refiner. Mr. Spreckels therefore has reason to feel badly."

Find Sincere Patriots
"There are other citizens some of whom now feel and others of whom will feel the same way and can, no doubt, entertain the public by directing assaults against the food administration as Mr. Spreckels has done. While many feel badly and more will feel badly, still the great majority of the men and women of our business community and of our farmers are sacrificing individual and personal profits daily to the necessities of the nation without complaining. Many are sacrificing more than their money, they are offering to the sacrifice their sons."

Shortage Three Months
"We have had two months of partial sugar shortage, October and November, and we shall also have December before relief from the new crop arrives."

"The American people have had five hundred thousand tons of sugar in those two months, and that is 70 per cent of the normal supply in each month, October and November, and if cars are obtainable, they will have 70 per cent of the normal supplies in December also. Going to our short supply the sugar shortage has been most acute in the Northeast, and about two hundred cars, loaded with sugar, are today blocked from that region."

Twice French Ration
"This 70 per cent of the normal supply which the American people have enjoyed the use of is twice the French ration. In the meantime we have given to France a good part of the 30 per cent which we have saved and we are proud of it. This supply so given to France was given deliberately and the American people were told of it at the time."

"We have also agreed to draw ten thousand tons for our own supplies for our friends in Canada. I have yet to meet an American citizen who would have it otherwise."

Seeks to Use Administrator
"Mr. Spreckels, as well or better than any one else, knows the bitterness of the ten years of fights between the producers and the refiners and between the different refiners and, if he will look back over the last three months, he will observe the desire of many of these elements to use the food administration as a club to stop their long standing bitter warfare."

"If Mr. Spreckels will tell us where there is any sugar today that ships can be obtained to carry, or cars can be obtained to deliver, we shall at once, and with the same resolution that we have requisitioned or distributed over six millions of pounds of embargoed sugar since Oct. 1, proceed to secure that sugar also."

"In the meantime the 300,000 tons of sugar in Java is as remote from us as is cheese to be taken out of the moon unless we wish to take the bread ships from our own soldiers and the Allies in order that we may supply ourselves with the candy with which we have been accustomed to indulge ourselves."

A copy of this statement was wire lessed to J. F. Child, federal food administrator for Hawaii, yesterday with the authorization to him to release it for publication immediately and with the request that he give it the widest possible publicity.

MRS. BALDWIN GIVES \$1000 TO "Y" FUND

Mrs. H. P. Baldwin of Maui is the latest contributor to the Y. W. C. A. fund, having sent a check to the local association for \$1000, which brings the total amount received to date \$43,600. Checks are coming in by each mail, and it is expected that before the end of the week the total amount of \$45,000 will be raised.

There will be a meeting of the board of directors tomorrow morning, at which time the reports of the various committees will be received. Local workers have expressed the thought that no other community in the world excels Honolulu in contributions to worthy causes.

In the recent campaign contributions were received from thousands of friends of the association, many small amounts being received as well as large contributions. Contributions were received from the people of every nationality on the island, the Chinese and Japanese especially contributing to the fund.

WALL & DOUGHERTY TAKES ON HOLIDAY APPEARANCE
Wall & Dougherty's jewelry store, in the Young building, this morning blossomed forth in splendid holiday style. Beautiful large poinsettia plants decorate the store, and from their setting behind miniature trellis-work, and their Christmas cheer to the beautiful displays throughout the store.

Hawaii, being a land of sunshine the whole year, does not furnish as much Christmas atmosphere as some of the mainland states, yet poinsettias are abundant here and make excellent decorations as a visit to Wall & Dougherty's will show.

SAID HE WAS CRAZY; GOES TO JOHN WISE
Many strange things happen at the police station, but a new one was sprung on Police Sergeant Kamaouma Sunday morning, when Officer A. Kawahoe brought in a woe-begone Chinese, who calmly stated he was crazy. The sergeant believed him and locked him up. This morning he was shipped out to Kapiolani park, where he will be under the care of John Wise, superintendent, for the next three months.

GOVERNOR TO REST ON ISLAND OF KAUAI
Governor Pinkham will leave tonight for Kauai to be gone until the last of this week or the first of next. It is understood that he will be the guest of Colonel Z. S. Spalding and one or two other residents of the Garden Island.

The governor said today that he is going on this visit primarily for a rest, though he may consider such public business during his stay as is called to his attention.

According to announcement today six officers of the national guard have passed the federal examinations for guard officers as captains and lieutenants. They are as follows:

Capt. H. Stuart Johnson, Capt. Lewis B. Reeves, Capt. Luther A. K. Evans, 1st Lieut. Frank E. Midkiff, 2nd Lieut. James Yap Ho and 2nd Lieut. W. J. Gimbel.

WIFE OF SAMOA'S GOVERNOR IN CITY
Mrs. J. M. Poyer, wife of the governor of Samoa, and Miss Mary Poyer are passengers on an Oceanic steamer in port. They were met at the steamer by Honolulu friends.

Lieut. Com. L. W. Strum, Paymaster S. M. Kates, Pay Clerk T. F. Zimmerman, accompanied by Mrs. Zimmerman, are naval officers aboard the Oceanic steamer in port, who are bound for Samoa.

Brig-Gen. James Burston of the Australian forces, and a young man for his rank, is also a passenger aboard the Oceanic steamer, bound for his home on leave after two years and a half of fighting in France. Asked to tell of some of his personal experiences, he said, "Oh, let us forget the war, for a while, now that we are away from it." Another British officer aboard the ship is Lieut. A. H. Davey.

THOMAS HOME IN ROYAL GROVE ROBBED OF \$4.50
R. K. Thomas, educational secretary at the Y. M. C. A., reported today that he was out 65 cents. Last evening, accompanied by Mrs. Thomas, he visited friends, and upon returning to his home discovered that some one had been paying a visit to his home on Prince Edward avenue, Royal Grove.

The window screen was cut in three pieces, and when the family took inventory, it was discovered that \$4.50 was missing, and Mr. Thomas said that of that amount exactly 65 cents was his own property. The burglar overlooked three watches and several pieces of jewelry. Tracks showing the footprints of military shoes were discovered in the yard.

Taylor that under the assessment roll for that improvement district he was being over-assessed to the extent of more than \$200.

With the exception of roads and pipe lines owned by the territory, title to land on Maui aggregating 750 acres, has been vested in F. G. Correa, who recently filed his petition in the land court. Judge S. B. Kemp and Registrar Andrew Hogan have returned to Honolulu after hearing the petition on the Valley Island.

McCormick, chief inspector of the Mutual Telephone Company. The accident occurred in Moanalua park near the road to Salt Lake. Kau was taken to the Fort Shafter hospital.

FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies are Using Recipe of Sage Tea and Sulphur

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.—Adv.
